**HEARD**

**(By videoconference):** April 1, 2021

**CASE MANAGEMENT ENDORSEMENT**

[1] The 17th Case Management Conference was conducted on April 1, 2021.

[2] This Case Management Conference addressed two issues, both on the concurrence of the parties. First, the parties jointly submitted that paragraph 17(4)(m) of the May 25, 2020 Case Management Endorsement, setting the deadline of March 30, 2021 for completion of documentary production, may be removed. Second, the parties jointly submitted that the May 7, 2021 deadline to schedule a motion for relief arising from the discovery process, as set out at para. 17(4)(n) of the Discovery Timetable, will require variation, as it is sooner than the June 30, 2021 deadline for the completion of answers to Follow-Up Written Questions: para. 17(4)(k). However, the parties jointly submitted that they will better know of the appropriate rescheduling required for this deadline after the April 23, 2021 deadline for service of written questions on discovery, as provided by para. 17(4)(j).

[3] On the first issue, on the parties' consent, I direct that paragraph 17(4)(m) of the May 25, 2020 Case Management Endorsement, setting the deadline of March 30, 2021 for completion of documentary production, may be removed from the timetable.

[4] On the second issue, on the parties' consent, I direct that the parties may, at the next Case Management Conference, bring forward a variation to para. 17(4)(n) of the timetable.

[5] The next Case Management Conference shall be conducted on April 29, 2021 at 1:00 pm, by videoconference, using video connection coordinates that will be provided by the Court.

[6] I direct the parties to provide a Case Management Memorandum, even in the form of a letter, either individually or if in agreement, jointly, by 1:00 pm on April 27, 2021, by email to my judicial assistant, setting out the issues that they seek to bring forward to the next Case Management Conference.

[7] In accordance with *Rules* 59.04(1), 77.07(6) and 1.04, this order is effective from the date that it is made and is enforceable without any need for entry and filing, and without the necessity of a formal order.

---

A.A. Sanfilippo J.
